The Eccentrix series

Floricultura presents the Phalaenopsis Eccentrix, living proof that nature never feels shy to reveal its artistic talent. This is a fascinating, high-quality series that doesn't meet traditional definitions. Its varieties are both rare and unique. This in combination with their robust and resilient characteristics make them truly eccentric.

With the Eccentrix series, you definitely draw the attention of your customers. The vibrant varieties give plenty of opportunities to be distinctive and stand out from the crowd. So... do you dare to be eccentric?

You will find the entire Eccentrix series in this flyer. Please contact one of our account managers to get more information about this new series.
