Phalaenopsis Floricultura: 8090-02
Test number: 234
Grower: Floricultura
Administration number: 065889
Variety: phalaenopsis 364002
Product code: 23050

Description: Phalaenopsis

Start date: 09-07-2018

Method of investigation

We submitted the investigated flowers to a sales simulation, according to the conditions mentioned in the appendix. In the consumer phase we evaluated the stems three times a week. The evaluation criteria are based on the evaluation card for the specific product (www.vbn.nl). When the ornamental value is insufficient we consider vase life as ended. With these data the average vase life has been calculated. The average vase life expresses the number of days that the flowers have good ornamental value for the consumer. So transport and store phase are excluded.
